

Town of Brookline
Human Resources Office Room 208
333 Washington Street
Brookline, MA 02445

EMPLOYMENT OPPORTUNITY

FIRE CHIEF

The Town of Brookline, MA (pop. 58,000) is seeking to fill the position of Fire Chief. The Department consists of 150 career employees (civil service) with an operating budget of \$14 million. Chief is appointed by a five-member Board of Selectmen with direct report to Town Administrator. Bachelor's degree in fire science, fire protection engineering, public administration or related discipline, with a minimum of ten years of progressive experience in a career metropolitan fire department, and at least five years as a chief officer required, or an equivalent combination of education, training and experience. Master's level degree and certification as an Executive Fire Officer (EFO) preferred. Candidates must have demonstrated experience with incident command; labor relations; municipal finance and budgeting; organizational master planning; contemporary thinking in fire/rescue service; experience with the evaluation, implementation and use of technology; community education and outreach; and strategic capabilities in fire prevention and code compliance. Must be able to demonstrate effective leadership skills and the ability to be a key member of the Town's management team. The minimum salary is \$137,367 or more depending on qualifications. Resumes will be held in confidence until final candidates are selected.
